

WGM/WGP of MD COVID Update 12/13/20

Sisters and Brothers

I hope this message finds everyone safe and getting ready for the Christmas Season. Christmas is a festive time when we celebrate the birth of the Christ child. Unfortunately this year's Christmas may be very different as was our Thanksgiving Season. We still remain in uncharted waters with increased numbers of COVID-19 cases throughout our State.

But there is HOPE and LIGHT at the end of the tunnel with the Vaccine being so close!

I have received calls and emails from Chapters Members that are still very concerned about being in and around groups of people. In fact, as I continue to monitor our State, Garrett and Allegany Counties have the highest number of positivity rates within Maryland. I am saddened to issue the following directive; however, in view of our MWGM's recent message and for our members' safety and health, we will NOT be returning to our Chapters on January 1, 2021. As I stated, I will continue to monitor this pandemic for the month of January.

Virtual Business Meetings may continue at this time. Please follow the appropriate guidelines for the Virtual Business meetings.
